Carob Sweet

DESCRIPTION

CAROB SWEET is a micronized flour obtained by thermal treatment and grinding of carob pulp. Thanks to a modern manufacturing process, the antioxidant activity in **CAROB SWEET** (total antioxidant activity – **TAA**) increases significantly because the solubility and amount of phenols is increased (total phenolic content – **TPC**).

COMPONENTS

- 100% micronized meal from carob pulp

ANALYTICAL CONTENT

Analytical content g/100g			
Humidity	4,80	Crude fiber	5,00
Crude protein	5,80	Crude ash	4,00
Crude fat	0,50	Total sugar	40,00

ACTION

The use of CAROB SWEET is recommended for its MOS, FOS, tannins, sugars content:

- It helps preventing entheric phenomena thanks to the action of tannins and polyphenols that are naturally present.
- The content of soluble and insoluble fibres has a positive effect on the intestines, promoting and improving bacterial population
- Increases feed palatablity and energy content
- Recommended for the production of probiotics and vitamin supplement for zootechnical and pet food use, it allows to tie components of different granulometry, granting a uniform and homogeneus final product.
- It useful also in association with fermented products containing Enterococcus faecium, since CAROB SWEET is a very good substrata for lactobacilli growth.
- Improves pellet consistency reducing the feed powderiness

RECOMMENDED DOSAGES

CAROB SWEET can be used pure or mixed with complete feed, pelleted or flours.

Piglets	15 - 30 Kg/ton
Pigs 18 - 35 kg	12 - 25 Kg/ton
White meat calves	2% in milk powder
Milking cows	0,5 - 1 Kg capo/gg
Weaning calves	15 – 30 Kg/ton
Fattening calves	10 – 30 Kg/ton
Grazing beef cattle	20 - 40 Kg/ton

Rabbits	20 – 40 kg/ton
Broiler	20 - 50 kg/ton
Egg layers	20 - 40 kg/ton
Horses	50 - 70 kg/ton
Lambs	50 – 70 Kg/Ton
Goats	50 - 70 kg/ton
Cats&Dogs	20 - 50 Kg/ton

FEATURES

- Appearance: micronized powder
- Odour: sweet carob
- Colour: light brown

- Available in big bags and 25 Kg bags – Store in a fresh and dry place, far from sunlight
- Do not freeze.
- Best before 18 months from production date
